Community Supports & Services

[PEI Transgender Network](#)

This page is for anyone who is supportive of the transgender community on PEI. The group is working to create more visibility of trans islanders as well as create a safe and strong support system for both trans individuals and their parents. They often share information on this page as well as upcoming events and news.

[LGBT+ Support Group for UPEI students and staff](#)

For members of UPEI's LGBTQ2S+ community looking for a safe and fun space to discuss your experiences and connect with others.

[Pride PEI](#)

Pride PEI is responsible for the annual Pride Parade and Festival; however, they also provide a resource for the Island's queer community. They work to educate and advocate on behalf of the 2SLGBTQIA+ community, and organize social opportunities when possible.

[PEERS Alliance](#)

A charitable, not-for-profit AIDS service organization providing support for people living with and at risk for HIV and Hep C. They provide drop-in programming for the 2SLGBTQ+ community in PEI, and advocate for harm reduction and safer drug use.

[Gender-Affirming Health Services](#)

A list of the gender-affirming health services offered in Prince Edward Island and how to access them.
